

# CROATIAN–USA WORKSHOP on MESOMETEOROLOGY

## GENERAL INFORMATION

**DATES:** 18 – 20 JUNE 2012

**VENUE:** ECOPARK KRAŠ, CROATIA [www.ekopark-kras.hr](http://www.ekopark-kras.hr)

Tel: +385 1 2396 127

Fax: +385 1 2396 015

**VENUE LOCATION:** The Kraš EcoPark is situated approx. 40 km from Zagreb – capital of Croatia; in the exceptionally beautiful Kupa river basin within the municipality of Pisarovina. The park stretches over 422 hectares of meadows, pastures, lakes, woodlands, and farm land where various arable crops are grown according to organic agriculture standards.

**VENUE DESCRIPTION:** The apartments section of the EcoPark provides accommodation for about 100 guests in wooden cottages and bungalows that are typical of this region. They offer various opportunities for individual and group accommodation.

**HOW TO FIND ECOPARK KRAŠ:** When coming from Zagreb, take the A1 motorway southbound for 14 km from the Lučko toll plaza and turn off at the exit sign-posted Donja Zdenčina. After the toll plaza turn left and then at the next junction turn right in the direction of Pisarovina. After 8 km in the Bratina village turn right at signpost for Ekopark Kraš and continue on for 2 km until you reach your destination.

**TRANSPORTATION:** For delegates travelling from abroad, transfers from/to Zagreb airport to EkoPark Kraš will be organized. Additional information about transfers will be send to each delegate one week prior the Workshop.

**CURRENCY:** The national currency in Croatia is Kuna (KN).

**TIME ZONE:** Croatia operates in the Central European Time Zone (GMT+1)

**STANDARD VOLTAGE AND FREQUENCY:** 220 V, 50 Hz. Your electrical appliances must be compatible with 220 volts.

**ABOUT ZAGREB – CAPITAL OF CROATIA:** Zagreb is the capital and the largest city of the Republic of Croatia, its political, administrative, business and cultural centre. It has approximately 800 000 inhabitants (more then 1 million in the metropolitan area). It is situated on the bank of the Sava river and protected by the mountain Medvednica from the north.
