

# GEOGRAPHICAL • RESEARCH • OF THE LANDSCAPE AND • MODERN • FORMS • OF TOURISM

international scientific **on-line** conference

June 24 | 9.00 AM |  
2021 | Banská Bystrica |

## Department of Geography and Geology, Faculty of Natural Sciences, Matej Bel University in Banská Bystrica

invites you to an international online scientific conference,  
which will take place under the auspices of the Dean of the Faculty  
of Natural Sciences Matej Bel University in Banská Bystrica  
doc. RNDr. Jarmila Kmeťová, PhD.

The conference is dedicated to the significant jubilee of life, the 90th birthday  
of prof. RNDr. Jaroslav Mazúrek, CSc., Nestor of geographical research  
and education at Matej Bel University in Banská Bystrica and Slovakia.

## GEOGRAPHICAL • RESEARCH • OF THE LANDSCAPE AND • MODERN • FORMS • OF TOURISM

The first year of the conference focusing on pilgrim tourism took place  
in September 2019 in Korňa, Kysuce, Slovakia under the auspices  
of the then Minister of Culture of the Slovak Republic PhDr. Ľubica Laššáková.

The aim of the scientific conference is to present the latest results of geographical  
research of the country with the possibilities of their application in modern forms  
of tourism in the regions of Slovakia and Europe. To present the conclusions of basic  
physical-geographical, human-geographical and historical-geographical research  
of various types of landscape through the most modern methodological applications,  
especially in individual tourism. Contributions focused on modern forms  
of tourism considering the changing global situation caused  
by the COVID-19 pandemic are also welcomed.

### THEMATIC FOCUS OF THE CONFERENCE

physical-geographical, human-geographical and historical-geographical landscape research

•  
historical aspects of tourism research

•  
individual forms of modern tourism in today's country

•  
theoretical-methodical and practical aspects of modern forms of tourism (e.g. ecotourism,  
rural tourism, wildlife tourism, mountain tourism, mining tourism, geotourism, adrenaline  
tourism, dark tourism, speleotourism, etc.)

•  
information and communication technologies in the research of modern forms of tourism

•  
current tourism during the COVID-19 pandemic

## Basic information

**Date** June 24, 2021 at 9:00 am.

**On-line form** communication channel MS Teams

**Choice of speakers** heads of the scientific committee of the conference reserve the right to choose the registered speakers and to include them in the conference program to ensure that their contributions correspond with the scientific focus of the conference, would be of benefit to the scientific discipline of the conference and to fit them within the time frame available for the conference program

**Conference language** English, Slovak and Czech

**Registration** using the [form](#) until 15 May 2021 (with brief annotation in English)

**Publication of papers** [Acta Geographica Universitatis Comenianae](#)  
- SCOPUS, published by the Comenius University in Bratislava)  
- selected the most significant papers recommended by heads of the scientific committee  
- however, the recommendation of a paper by heads of the scientific committee of the conference does not automatically guarantee its acceptance in the press. All contributions must be subjected to a full review procedure according to the internal rules of the journal

### [Geographical Review](#)

- published by the Department of Geography and Geology, Faculty of Natural Sciences, Matej Bel University in Banská Bystrica  
- selected papers will be published in English and Slovak

### [Acta Geoturistica](#)

- published by civic association Geotour supported by the BERG Faculty of the Technical University in Košice, the Institute of Earth Resources and the Department of Geo and Mountain Tourism  
- selected papers will be published in English

**Further information** detailed information on the conference, organizational notes, the conference program and the collection of abstracts will be sent to all conference speakers by 2nd June 2021.

**Certificate** all invited experts receive a certificate of the requested lecture

## Scientific committee

- prof. RNDr. Pavol Korec, CSc. head of the scientific committee  
Department of Economic and Social Geography, Demography and Territorial Development, Faculty of Science, Comenius University in Bratislava, Slovakia
- doc. Marcu S. Staşac, Ph.D. head of the scientific committee  
Faculty of Geography of Tourism and Sport, University of Oradea, Romania
- PaedDr. Bohuslava Gregorová, Ph.D. Department of Geography and Geology, Faculty of Natural Sciences, Matej Bel University in Banská Bystrica, Slovakia
- doc. PaedDr. Pavel Hronček, Ph.D. Department of Geography and Geology, Faculty of Natural Sciences, Matej Bel University in Banská Bystrica, Slovakia
- doc. RNDr. Alfréd Krogmann, Ph.D. Department of Geography and Regional Development, Faculty of Natural Sciences, Constantine the Philosopher University in Nitra, Slovakia
- doc. Mgr. Mário Molokáč, Ph.D. Department of Geo and Mining Tourism, Institute of Earth Resources, Faculty of Mining, Ecology, Process Control and Geotechnologies, Technical University of Košice, Košice, Slovakia

## Organizational Committee of the Conference

- doc. PaedDr. Pavel Hronček, Ph.D. head of the organizational committee
- PaedDr. Bohuslava Gregorová, Ph.D. head of the Department of Geography and Geology
- Mgr. Lenka Balážovičová, Ph.D. lenka.balazovicova@umb.sk (English, Slovak and Czech)
- RNDr. Michaela Žoncová, Ph.D. michaela.zoncova@umb.sk (Slovak, Czech and English)
