

Juraj Šiftar

Professor, Department of Mathematics,
University of Zagreb
Dr.sc. University of Zagreb, 1985.

Research interest: Finite geometries; Quasigroups related to finite geometries.

Selected publications:

- [1] J.Šiftar, *On affine planes over A_n^k -quasigroups*, **Journal of Geometry** **20** (1983), 1-7.
- [2] J.Šiftar, *On the existence of A_n^k -quasigroups*, **Glasnik Matematički** **18(38)** (1983), 217-219.
- [3] J.Šiftar, *4-semiaffine linear spaces with 16 points*, **Glasnik Matematički** **21(41)** (1986), 41-73.
