The screenshot displays the Web of Science homepage. At the top, there is a navigation bar with links for 'Web of Science™', 'InCites™', 'Journal Citation Reports®', 'Essential Science Indicators™', and 'EndNote®'. On the right side of this bar are links for 'Sign In', 'Help', and 'English'. Below this is a dark header with the 'WEB OF SCIENCE™' logo on the left and the 'THOMSON REUTERS™' logo on the right. A secondary navigation bar contains a 'Search' button, a dropdown for 'All Databases', and links for 'My Tools', 'Search History', and 'Marked List'. A welcome message reads: 'Welcome to the new Web of Science! View a brief tutorial.' The main search area features a 'Basic Search' dropdown, a search input field containing the example text 'Example: oil spill\* mediterranean', a 'Topic' dropdown, and a 'Search' button. Below the input field are links for '+ Add Another Field' and 'Reset Form'. To the right of the search area is a link: 'Click here for tips to improve your search.' Below the search area is a 'TIMESPAN' section with radio buttons for 'All years' (selected) and 'From 1900 to 2015'. A 'MORE SETTINGS' link is also present. At the bottom of the main content area are four navigation links: 'Customer Feedback & Support', 'Additional Resources', 'What's New in Web of Science?', and 'Customize your Experience'. A blue banner at the bottom of the page contains the text 'Get a first look at 2015 developments and key integrations.' with a 'Learn more' link. The footer includes the logo for 'MORE INFORMATION FOR NEW USERS' and the text 'Ministry of Science Education and Sports of the Republic of Croatia', along with a 'Like' button.
