REVIEWS IN MINERALOGY
AND GEOCHEMISTRY

VOLUME 54                         2003

BIOMINERALIZATION

EDITORS:

Patricia M. Dove  Virginia Polytechnic Institute & State Univ.
Blacksburg, VA, U.S.A.

James J. De Yoreo  Lawrence Livermore National Lab
Livermore, CA, U.S.A.

Steve Weiner  Weizmann Institute
Rehovot, Israel

FRONT COVER: Coccolith calcite. Colorized high resolution scanning electron micrograph of Calcidiscus leptoporus ssp. quadriperforatus with heterococcoliths on left (blue) showing interlocking crystals with rhombic faces and holococcoliths on the right (violet) formed of minute rhombohedra (from Young and Henriksen, this volume; image by Markus Geisen).
