$$\text{WiSTEM}^2 = (\text{Women} + \text{STEM})^2$$

Australia and Croatia are dedicated to encourage women and girls to literally
"REACH FOR THE STARS"

To Achieve

Family

Education sector

Government

Employers

We need to draw from an array of unique experiences and viewpoints from women in STEM. Developing an open and diverse scientific community is absolutely crucial for our global efforts.

Support women in STEM

Encourage those who are considering studying STEM

Encourage those who are STEM students

Reach out to families to encourage their daughters to study STEM.

Encourage governments to support WiSTEM

Assure job opportunities for Women in the STEM sector

Our strategy
