

Name and Surname: Damjan Franjević

Date and place of birth: April 5, 1975 Zagreb, Croatia

Marital status: Married, three children

Nationality: Croat

Education:

Elementary school: "Marin Drzic" Zagreb

High School: V. Gymnasium, Zagreb

Study: Molecular Biology on the Faculty of Science, University of Zagreb.

Graduated in 1997 under the mentorship of Prof. Mirjana Kalafatić.

M.Sc. in 2002 under the mentorship of scientific adviser Miroslav Plohl PhD.

PhD in 2006 under the mentorship of Prof. Mirjana Kalafatić, PhD.

Scientific papers (20):

In a Current Content database (12) in WOS database (7) and (1) with an international review

IF = 6543-0246; Cumulative IF = 34

h index = 6;

Citations Scopus (110), WOS (104)

Conference reports (22):

In a Current Content magazine (1), with an international review (8), with peer-review (13)

Participation in scholarly symposia (7):

Scientific - popular articles (4)

Mentorship of undergraduate work, graduate theses and dissertations (28)

Doctoral dissertations (2), graduate thesis (16), undergraduate work (10)

Head of scientific projects (4)

International project (1), domestic projects (3)

Participation in research projects (4)

Teaching:

Practicum of evolution for : BSc. molecular biology, BSc. Ecology, prof. Biology and prof. Biology and Chemistry at the Faculty of Science, University of Zagreb.

Practicum in genetics and evolution for students of biology and chemistry at the Faculty of Education, University of Mostar, Bosnia and Herzegovina.

Lectures in Evolutionary biology for students of third year of undergraduate study course Molecular Biology

Lectures in Molecular evolution for students first year of graduate study Experimental Biology at the Faculty of Science, University of Zagreb in the Croatian and English languages

Symbiosis for PhD students of the Faculty of Science, University of Zagreb

Basic of biology for students of first year undergraduate study Psychology at the Faculty of Philosophy in Zagreb, Department of Psychology.

University scripts (2):

The organization of scientific congresses and courses (11):

International conferences (6), local symposia (2) courses (3)

Scientific training courses and schools (6):

Membership in scientific societies and associations (4):

Founder (1), Member (3)

Popularization of Science (11):

Participation in radio and TV shows (8), scientifically popular lectures (3)

Invited lectures (7):

International (2), domestic (5)

Erasmus cooperation:

2009-2013. with AgroParisTech INRA-CNRS, Paris, France.

2013-2014. and from 2014 to 2021. the Heinrich Heine Universität Düsseldorf, Germany

2013-2014. with Comeinus University Bratislava, Slovakia

2014-2012. with Chalmers University of Technology, Gothenburg, Sweden

Committee membership:

Member of the contained use of genetically modified organisms panel of the Ministry of Health of the Republic of Croatia 2013.

Other:

Head of International Cultural and Scientific Cooperation Matrix Croatica

Leader and one of the founders of the laboratory for "Molecular evolution and taxonomy of animals" on Department of Zoology Department of Biology, Faculty of Science, University of Zagreb.

Reviewer of scientific projects MZOS 2007.

Foreign languages - English excellent, Russian well

Employment:

University of Zagreb, Faculty of Science, Department of Biology, Department of Zoology, Department of evolution since 1998.

Assistant professor Damjan Franjević, PhD
