

6th Faculty of Science PhD Student Symposium 2022

The Faculty of Science of the University of Zagreb is organizing the **Faculty of Science PhD Student Symposium for the sixth time**. The Symposium will take place in a spring term: from **April 23 to April 24, 2022**. It will be held in one of the following three ways: in person (at the Department of Chemistry of the Faculty of Science), as a hybrid model (part of the participants in person, part online), or completely online, depending on the epidemiological situation at the time of the Symposium.

Participation in the Symposium can be evaluated with ECTS credits according to the decision of the competent council of doctoral studies.

We are looking forward to welcoming you, building new collaborations and to a constructive scientific exchange!
