

# Josip Pečarić

Academician, Faculty of Textile Technology,  
University of Zagreb  
PhD University of Belgrade, 1982

Research interest: Mathematical inequalities and applications

Recent publications:

- [1] M. Andrić, A. Barbir, Gh. Farid, J. Pečarić: „*More on certain Opial-type inequality for fractional derivatives and exponentially convex functions*”, **Nonlinear Functional Analysis and Applications (NFAA), Vol. 19, No. 4 (2014)**, pp. 563-583.
